Dear Shareholder

#### **2020 Annual General Meeting (the "AGM") of Wentworth Resources plc (the "Company")**

I am pleased to send you details of the 2020 AGM of the Company which is to be held at the offices of the Company at Thames Tower, 2nd Floor, Station Road, Reading RG1 1LX, United Kingdom at 11 am on Wednesday 17 June 2020. Attached to this letter is the formal notice for the purposes of convening the AGM (the "**Notice**"), and this letter gives further details on the matters to be considered at the AGM. Please note that the following summary of the resolutions to be proposed at the AGM does not contain full details of the proposed resolutions. The full detail of the proposed resolutions can be found in the Notice. **Please note in particular the following section relating to the COVID-19 measures which mean that, unfortunately, your attendance in person at the AGM will not be possible.**

#### **COVID-19 MEASURES & Q&A**

Your board of directors (the "**Board**") and I have been closely monitoring the COVID-19 situation as the Company, together with many others globally, react to this fast-changing and unprecedented set of circumstances. In particular, we note that the Government's measures to restrict travel and public gatherings currently in force include a prohibition against public gatherings of more than two people (the "**COVID Restrictions**"). In compliance with the COVID Restrictions, it will not be possible to run the AGM in the same manner as in previous years and, unfortunately, it will not be possible for shareholders to attend physically in person and the meeting will be run instead as a closed meeting. The only attendees will be the chairperson of the AGM (which we expect to be my fellow director, CEO Katherine Roe) (the "**Chairperson**") and a representative of the Company's secretary in order to form a quorum and facilitate the administration of the AGM. No other members of the Board, any professional advisers or others will attend the AGM in person in light of the COVID Restrictions.

We regret that these measures are necessary, but we are committed to conducting the business of the Company in the safest and most practical way possible in these circumstances and we thank you for your patience and understanding. Please note that the AGM will be restricted to its formal business only. However, the Board recognises that the AGM normally represents an opportunity to engage with shareholders, and provides a forum that enables shareholders to ask questions of the Board. In light of this shareholders are invited to submit their questions by email to [info@wentplc.com](mailto:info@wentplc.com) by 11 am on Monday 15 June 2020 and immediately following the conclusion of the AGM an Investor Presentation and Q&A answering your questions will be made available on the Company's website. The Investor Presentation and Q&A will not form part of the formal AGM.

This situation is constantly evolving, and the UK Government may change current restrictions or implement further measures relating to the holding of general meetings during the affected period. In light of the fact that there are still some weeks to pass before the AGM, we will continue to monitor the fast-changing Government guidance, the practical situation we face as a Company and any changes to the regulatory or legal landscape and provide any appropriate updates or changes to the above proposals (including, without limitation, as to proxy appointments, attendance, venue, format, the business to be considered or timing, as the case may be) via the Regulatory News Service and our website. We do not presently expect that the above restrictions on attendance will be relaxed in the period prior to the AGM but the Company will keep this under review.

For completeness, I wish to mention that the Chairperson has the power to secure the safety of the people attending the AGM and that the Company considers this of paramount importance. Therefore, any shareholder (or their appointed proxy other than the Chairperson) who seeks to attend the AGM may be refused entry and the Chairperson may adjourn the meeting in such circumstances because the attendance of any additional shareholder above the number necessary to form a quorum would be unlawful under the COVID Restrictions in order to ensure the safety of attendees and others. This may even be the case in the event that the COVID Restrictions are relaxed in the period prior to the AGM. As ever, shareholders are strongly encouraged and requested to exercise their vote on the matters of business at the AGM by submitting a proxy appointment and giving voting instructions as described in this document.

## **RESOLUTIONS TO BE CONSIDERED AT THE AGM**

At the AGM, shareholders will be asked to approve 8 resolutions as detailed below. Resolutions 1 to 6 are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, a majority of the votes cast must be in favour of the resolution. Resolutions 7 and 8 are proposed as special resolutions. This means that, for each of those resolutions to be passed, at least a two-thirds majority of the votes cast must be in favour of the resolution.

### **Resolution 1: Annual Report**

In accordance with the Companies (Jersey) Law 1991 (as amended) (the “**Companies Law**”), the Company’s annual accounts must be laid before a general meeting of the Company together with any auditor’s report on them. Those to be presented at the AGM are for the year ended 31 December 2019 (the “**Report and Accounts 2019**”) and are available on the Company’s website ([www.wentplc.com](http://www.wentplc.com)).

### **Resolutions 2 to 3: Re-Appointment of Directors**

All current directors were re-appointed by shareholders at the last annual general meeting of the Company held on 26 June 2019 (the “**2019 AGM**”). In accordance with the Articles of Association of the Company (the “**Articles**”), one third of the directors must retire at each AGM. Of the five currently appointed directors, Katherine Roe and Iain McLaren will retire at this AGM. Both have indicated their willingness to offer themselves for re-election, and a short biography of each of them is contained in the Report and Accounts 2019 and is also available on the Company’s website ([www.wentplc.com](http://www.wentplc.com)).

### **Resolutions 4 to 5: Re-Appointment and Remuneration of Auditors**

In accordance with the Companies Law, the Company is required to appoint an auditor at each AGM of the Company to hold office from the conclusion of that meeting to the conclusion of the next AGM. It is proposed that KPMG LLP be re-appointed to hold office until the conclusion of the next AGM, and that the directors be authorised to determine their remuneration.

### **Resolution 6: Authority to Allot Shares**

The Company is seeking the flexibility to issue or grant options over or otherwise dispose of shares in the capital of the Company (“**shares**”) and other relevant securities of the Company. In accordance with Article 3 (*Authority to Allot*) of the Articles, the directors must be given authority by ordinary resolution to exercise all the powers of the Company to allot Ordinary Shares. In accordance with the resolutions passed at the 2019 AGM, the directors have an existing authority which will expire at the end of this year’s AGM. To maintain this flexibility, it is therefore proposed to grant authority to the directors to allot 61,386,379 Ordinary Shares in the Company (equal to approx. one-third of the issued voting share capital of the Company) and a further authority to issue up to 61,386,379 Ordinary Shares in the Company (equal to approx. one-third of the issued voting share capital of the Company) where Ordinary Shares may only be issued by way of a pre-emptive issue (as defined in the Articles) structured as a rights issue.

Under the Articles, a pre-emptive issue is an offer of Ordinary Shares to existing shareholders in proportion to their existing holdings (as nearly as practicable) but subject to such exclusions or other arrangements as required in relation to fractional entitlements or any legal, regulatory or practical problems under the laws or regulations of any territory or the requirements of any regulatory body or stock exchange. The relevant authorities will, however, only apply where such a pre-emptive issue is by way of a rights issue in line with the Investment Association guidelines and the combined effect of Resolutions 6 and 7 is set out in the summary of Resolution 7 below.

This authority will expire at the end of the next AGM of the Company or 15 months after that resolution is passed, whichever is earlier, and it is the directors’ intention to seek renewals and/or further authorities to allot in subsequent AGMs of the Company.

### **Resolution 7: Disapplication of Pre-Emption Rights**

Under the Articles, where new Ordinary Shares are proposed to be issued for cash, they must first be offered to existing shareholders in proportion to their existing holdings. There may be occasions, however, where the directors may need the flexibility to issue Ordinary Shares without a fully pre-emptive offer in order to take advantage of business opportunities as they arise. In accordance with the resolutions passed at the 2019 AGM, the directors have an existing authority to make certain allotments for cash as if the pre-emption rights set out in the Articles did not apply to such allotments, which will expire at the end of this year’s AGM. To maintain this flexibility Resolution 7 seeks to give authority to the directors to allot 9,207,957 Ordinary Shares in the Company (equal to approx. 5% of the issued voting share capital) for cash as if the pre-emption rights set out in the Articles did not apply to such allotment.

The combined effect of Resolutions 6 and 7 is that, if passed, the directors will be empowered to allot for cash up to 9,207,957 shares (equal to approx. 5% of the issued voting share capital) for any purpose free of all pre-emption rights. By operation of the Articles, the directors will be empowered to allot for cash up to 122,722,758 shares (equal to approx. two-thirds of the issued voting share capital) by way of a pre-emptive issue (as defined in the Articles) without application of the pre-emption rights contained in Article 4 (Pre-Emptive Rights) of the Articles (provided that, for the 61,386,379 shares referred to in Resolution 6(b), such pre-emptive issue is structured as a rights issue).

The authorities granted pursuant to Resolution 6(a) may also be used by the directors for any non-cash consideration issues, any other issues following the pre-emption procedure set out in the Articles and for any other purpose permitted by the Articles.

This authority will expire at the end of the next AGM of the Company or 15 months after the resolution is passed, whichever is earlier, and it is the directors’ intention to seek renewals and/or further authorities to disapply pre-emption rights in subsequent AGMs of the Company.

### **Resolution 8: Approval of market purchase of shares**

This resolution, if passed, will allow the Company to purchase up to 18,415,914 Ordinary Shares, representing approximately 10% of the issued voting share capital of the Company. The maximum price for such a purchase is 105% of the average of the closing middle market price for a share as derived from the AIM appendix to the London Stock Exchange Daily Official List for the 5 business days immediately prior to the date the shares are contracted to be purchased or, if higher, an amount equal to the higher of the price of the last independent trade of a share and the highest current independent bid for a share as derived from the London Stock Exchange Trading System (SETS). If given, this authority will expire at the end of the next AGM of the Company or 15 months after the date the resolution was passed, whichever is the earlier.

This authority is in addition to the authorities granted at the special general meeting of the Company held on 2 October 2018 in respect of the proposed purchase of shares from any shareholders who have dissented to the re-domicile of the Company to Jersey in accordance with their legal rights. Otherwise, the directors have no current intention to exercise the authority sought under this resolution but consider the authority desirable to provide maximum flexibility in the management of the Company's capital base.

The Companies Law permits the Company to hold any shares purchased by it as treasury shares as an alternative to immediately cancelling them. If the Company purchases any of its shares and holds them as treasury shares, the Company may sell these shares (or any of them) for cash or transfer these shares (or any of them) for the purposes of or pursuant to an employee share plan, cancel these shares (or any of them) or continue to hold them as treasury shares. Holding these shares as treasury shares gives the Company the ability to reissue them quickly and cost effectively and provides additional flexibility in the management of the Company's capital base. No distributions will be paid on, and no voting rights will be exercised in respect of, shares held as treasury shares. Shares will only be held in treasury as an alternative to immediate cancellation where there are known upcoming obligations in respect of an employee share plan. If no such known obligations exist, the purchased shares shall be cancelled.

### **RECOMMENDATION**

The directors consider that all the resolutions set out in the Notice are in the best interests of the Company and its shareholders as a whole. Accordingly, the directors unanimously recommend that you vote in favour of the resolutions, as they intend to do in respect of their own beneficial shareholdings in the Company.

### **ACTION TO BE TAKEN**

If you would like to vote on the resolutions set out in the Notice, noting again that your physical attendance will not be possible in light of the COVID Restrictions, please appoint a proxy or proxies:

- a) by using the link [www.signalshares.com](http://www.signalshares.com); or
- b) (if you are a CREST member) using the CREST electronic proxy appointment service; or
- c) by requesting a hard copy form of proxy from the registrars; or
- d) if you hold your shares in the VPS Register, in accordance with the instructions set out in Note 10 to the Notice of AGM.

Yours faithfully

**Robert McBean**  
Chairman

## NOTES TO THE NOTICE OF AGM

### COVID Restrictions

1. Please note the other provisions of this document which explain why physical attendance at the AGM will not be possible in light of the COVID Restrictions.

### Voting thresholds

2. For an ordinary resolution to be passed, a majority of the votes cast must be in favour of the resolution. For a special resolution to be passed, at least a two-thirds majority of the votes cast must be in favour of the resolution.
3. Each resolution will be decided by a show of hands, unless a poll is duly demanded in accordance with the Articles of Association of the Company.

### Right to attend and vote

4. In accordance with Article 40(1) of the Companies (Uncertificated Securities) (Jersey) Order 1999, to be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of trading on 15 June 2020. Changes to the Register of Members of the Company after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the AGM. References in this paragraph to 'attend' should however be construed in light of the COVID Restrictions, as summarised in the Notice of AGM, which will restrict physical attendance at the AGM in this case.

### Appointment of proxies: CREST members and shareholders holding a share certificate

5. Shareholders are entitled to appoint another person as a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy does not need to be a member of the Company but must attend the AGM to represent you. **However, in light of the COVID Restrictions, all shareholders are strongly encouraged and requested to only appoint the Chairperson as their proxy or representative as any other persons so appointed may not be permitted to attend the AGM.**
6. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his

or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.

7. You can appoint a proxy to vote your shares in one of the following ways:
  - a) by logging on to [www.signalshares.com](http://www.signalshares.com) and following the instructions;
  - b) you may request a hard copy form of proxy directly from our registrar, Link Asset Services, on 0371 664 0391 if calling from the United Kingdom, or +44 (0)371 664 0391 if calling from outside the United Kingdom. Calls are charged at the standard geographical rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales;
  - c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
  - d) in the case of members who hold their shares on the VPS Register, in accordance with Note 10.

A proxy may only be appointed in accordance with the procedures set out in these notes and the other documents referenced or contained herein.

**Please note, in light of the COVID Restrictions, all shareholders are strongly encouraged and requested to only appoint the Chairperson as their proxy or representative as any other persons so appointed may not be permitted to attend the AGM.**

8. If you return more than one proxy appointment, either by paper or electronic communication, the appointment received last by the registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM (and any adjournment of the AGM) by using the procedures described in the CREST Manual (available from [www.euroclear.com/site/public/EUI](http://www.euroclear.com/site/public/EUI)). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message

(a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer’s agent (ID RA10) by 11am on 15 June 2020. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in the Companies (Uncertificated Securities) (Jersey) Order 1999.

#### **Appointment of proxies: Shareholders with shares registered in the VPS Register**

10. Holders of shares in the VPS Register must, in order to vote their shares, complete and submit a VPS Form of Proxy (a copy of which will be sent to each shareholder having shares registered in the VPS Register) to the VPS Registrar, Nordea Bank Abp filial i Norge Attn: Issuer Services, P.O. Box 1166 Sentrum, N-0107 Oslo, Norway no later than 11am (BST) / 12pm (CEST) on 11 June 2020 or at least 96 hours (excluding Saturdays, Sundays and holidays in Norway and/or Jersey Channel Islands) prior to any reconvened meeting in the event of an adjournment of the AGM. The VPS Registrar will then vote or abstain from voting on behalf of the relevant shareholder with shares registered in the VPS Register at the AGM, as instructed in the VPS Form of Proxy. The VPS Form of Proxy may also be submitted prior to the above deadline by email to [nis@nordea.com](mailto:nis@nordea.com) or by fax to +47 24 01 34 62.

#### **Revocation**

11. In order to revoke a proxy instruction you will need to inform the Company by either sending a signed hard copy notice or an electronic notice (each to be delivered or received not less than 48 hours before the start of the AGM) clearly stating your intention to revoke your proxy appointment to the same details as set out above.

In the case of shareholders who hold their shares in the VPS Register, voting instructions may be revoked prior to its exercise by:

- a) giving written notice of the revocation to the VPS Registrar; or
- b) properly completing and executing a later-dated VPS Form of Proxy and delivering it to the VPS Registrar in accordance with the instructions set out in Note 10 above.

#### **Joint holders**

12. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s Register of Members in respect of the joint holding (the first named being the most senior).

#### **Corporate representatives**

13. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares. A corporate representative may be required to produce a certified copy of the resolution or authorization appointing him/her before being permitted to exercise his/her powers.
